

Have you missed worship services?

Be sure to visit the Media table after 9:30 service. CD's of sermons and worship services you missed or would like to hear again are available. This includes Associate Ministers messages from Quarterly Revivals and Sunday Services. The table is located in the South foyer directly outside the sanctuary.

You may also email your requests to metrombc@gmail.com.

Include:

Name

Date of request

Which sermon or worship service
